

Vacuole

Golgi
Apparatus

Lysosomes

Rough
Endoplasmic
reticulum

Smooth
Endoplasmic
reticulum

Centrioles

Nucleolus

Flagella /
Cilia

Draw each cell type. Draw a line from each organelle to its matching label. Circle the 4 organelles that are found in all cells (in blue)

Bacteria cell

Plant cell

Animal cell

Cell
Membrane

Cell
Wall

Cytoplasm

Chloroplasts

Mitochondria

Nucleus

DNA
(Genetic Material)

Ribosomes
